VOLUME 18 ISSUE 1

SEPTEMBER, 2016

## Greetings, dear sisters!

While some of you may be looking forward to Autumn's relief from hot, muggy temperatures, others are in the throes of class rosters, lesson planning, and "getting back in the saddle!" There's much to relay to the membership as we plan for our September 17 meeting at Rachel's in Butler. First, please pay your membership dues. Treasurer Carol Herbert sent a group email about the dues structure including the deadline for payment. If you have misplaced the information and still need to pay your dues, please bring your check to the September meeting.

## Projects

**Bags with books and a toy were collected at the August picnic. Mary Kay Davis and Karen Matis delivered to local shelters in Butler and Lawrence Counties.**

**New Castle City Rescue Mission thanks Alpha Sigma for the gift of fried chicken and fruit salad delivered following the August picnic.**

## Membership

Welcome new members, **Michelle Mrozek, Carol Kuper-Pyle, Kim Carlson, and Shayne Garcia-Bish**. Sisters, are you looking for worthy new members for Alpha Sigma? You can bring potential members any time. Why don't you bring a key women educator to the Sept. meeting. Don't forget former members who might wish to return. **Call them today.**

## Rules

Over the summer the ad hoc rules review committee met to review chapter rules. You should have received an email with these changes. There will also be copies available for members at the September meeting. Rule changes must be voted on by membership. Since we all would like our yearbooks updated with the latest, we need to expedite this. Our goal is to vote on changes to the rules in September and have the new yearbooks available for the November meeting.

## Finance

The Finance Committee met in late June to draft a budget for our chapter. Special thanks to Carol Herbert and Nancy Boyd for their input and expertise in pulling together this document. Again, you should have received an email with the proposed budget. Membership will vote on this budget at the September meeting. Copies will also be available for members at the September meeting.

## More Member News

**Carol Herbert** was awarded the Biennium Alpha Sigma Achievement Award. This is from Carol:

People asked, "Were you surprised?" when I was announced as the Chapter Achievement Award recipient for 2016. Surprised is an understatement. I was shocked, speechless, and in a state of utter disbelief. I was shocked that my Alpha Sigma sisters had placed me in the same service category as previous recipients Norma Neely, Sonie Laughead, Jean Speight, Stephanie Fulena, and Mary Kay Davis. I was shocked because I know of several others in the chapter who are certainly more deserving of the award than I. Nevertheless, I am deeply touched and energized by your affirmation of me and my work in the Society. Thank you. I am honored and humbled.

Borrowing on President Tracey's theme, I boarded the DKG train in 1987, almost 30 years ago. It has been an unforgettable ride! That train took me many times from New Castle to the State College area for State Conventions, Administrative Board meetings, and state committee meetings. The tracks then spread on an International level from Portland, Maine to Spokane, Washington with stops in Hershey, Indianapolis, Baltimore, New York City, and this year, Nashville.

If you have never experienced DKG beyond the chapter level, I would encourage you to "get on the train" and do so. You will find new friendships, spiritual fellowship, and a new understanding of the essence of our Society and its Seven Purposes. To further encourage broadening your horizons, Alpha Sigma is one of the few chapters in PA to offer stipends to offset the expense of attending State and International events.

I would also encourage you to lend your support to our chapter's newly installed officers. The chain is only as strong as its weakest link. Together we can strive to make a difference for women, children, and excellence in education.

Your grateful sister in red roses, Carol Herbert
